DIRECTIONS TO HANOVER HS:

- **Coming up I-89 from the south, to Exit 18, north off the exit ramp on Rte. 121; coming into Hanover, stay to the left at "Y" intersection, high school is on the left. Park on premises where available or on street.**
- **Coming down I-89 from north, take I-91 north, off at Exit 13, right off exit ramp, across Connecticut River into Hanover, right at light onto Main St., left at next light, to High School, on right. Park on premises where available or on street.**
- **Coming on I-91 from north or south, off at Exit 13, right off exit ramp, across Connecticut River into Hanover, right at light onto Main St., left at next light, to High School, on right. Park on premises where available or on street.**

Please note that due to the pandemic situation we live in at the moment, there will be some limitations and restrictions put in place by Hanover HS, the Town of Hanover, and the State of NH. At this time, here is a summary of special considerations put in place this year:

1. Coaches should wear masks, and players should wear masks when not playing; they may remove masks when playing. Spectators will also be asked to mask.
2. There will be no limitation on spectator attendance. However, for those who cannot attend, the games will be livestreamed at:
www.dppgnetwork.com/watch-dppg
3. There will be lunches provided to the players and coaches, but no concession stand for spectators
4. Players and coaches must eat their lunches spread 6' apart
5. Locker rooms cannot be provided, so players must come ready to play
6. We will not have access to indoor bathrooms, but portable toilets will be provided
7. We will have access to the training room
8. We have provided time for pre-game practices in the schedule, but coaches may want to opt out of these—it will be up to the coaches to notify the players if this will be the case. We will hold registration open later to later arrivals in case practices are cancelled
9. We will not have access to protection inside Hanover HS in the case of thunder and lightning; in this case, the event will most likely be terminated.
